

## 2018 NWCCC Traveling Print Salon Contacts

The schedule was arranged so each club would have nearly a week to reach the next club.

Note: If we keep up with the schedule we can meet the **5 clubs** now scheduled for your review and judging. Please send the cases onto the next club right after your judging.

Note the order was reversed and mixed up from last years for variety.

**PRINT DIRECTORS** - Below is the Traveling Clubs contact information, **listed in the exact order of the circuit.** So the print directors are responsible to **always** send the print case to the club contact listed **directly below** your clubs name. The club listed above your club will be sending you print cases. **Keep a copy of this form for your records.** When the original circuit has completed by **your 5<sup>th</sup> clubs judging you are to return the case to the originating club.** **A responsibility of the print directors is to send a copy via email after each judgments to Sam Ruljancich, NWCCC Print Director and notify the next club you sent the case** (we don't want to lose a case). Refer to the bottom of the registration forms for date deadlines.
